DETAILED ACTION

Allowable Subject Matter

Claim 1 is allowed.

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest a device having all of the limitations of claim 1. Various devices for teaching a user how to tie shoelaces, including Stanfield, Moore and Miller, are known. Some, including Silverman, Haslam, Bonfigli and Stricklin, disclose shoelaces which have a plurality of colors to assist in the teaching process. Others, including Zigon and Cariffe, disclose markers and indicia for indicating left and right shoes. None of the prior art, however, discloses or suggests the combination of colored shoelaces with colored indicia on either side of the shoe as recited in items (g) through (l) of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Stanfield, Moore, Miller, Silverman, Haslam, Bonfigli, Gehrdes, Cohen, Stricklin, Zigon and Cariffe disclose various devices for teaching a user how to put on and tie shoes.
